At the Think About Math workshop, young women are exposed to all sorts of possibilities available to them in the field of mathematics.

Female UWaterloo math graduates, who range from personal entertainment system designers to investment bankers and money laundering investigators, meet with participants and answer questions about their education, careers and experiences in math. Faculty members run sessions and activities that explore a variety of applications of mathematics.

- This one day workshop is for young women in Grade 9 or 10 interested in learning about opportunities in mathematics.
- The dates for the 2018 workshops are:
  - Saturday April 7, 2018 at Toronto Prep School
  - Friday April 13, 2018 at the University of Waterloo
  - Saturday May 26, 2018 in Vancouver
- The cost is a $25 registration fee to be paid after invited applicants have received their confirmation package.
- Meals are provided and all other expenses are covered by the CEMC at no cost to the participants.
